OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 26 November 1968

25X1 [redacted] Spoke further with Mrs. Clements, in the office of Representative Howard Pollock (R., Alaska), concerning
25X1 the application of [redacted] and told her that our people had identified a position and would be getting in touch with [redacted] 25X1
to determine her interest. Correspondence with the Congressman's office is not required at this time.

25X1 [redacted] In response to his request, I provided Mr. Vincent Augliere, on the staff of the Subcommittee on Foreign Operations and Government Information, a copy of the Senate Preparedness hearings containing Secretary of State Rusk's response to a question from Senator Margaret Chase Smith on the subject of CIA involvement in foreign policy matters. I also provided Mr. Augliere with a copy of the reprint of the U. S. News and World Report interview with Admiral Raborn. Augliere said these were just what was needed for his purposes in dealing with a group of college students who had discussed this subject with him.

[redacted] C. B. Morrison, on the staff of Senator

25X1 5. [redacted] Received a call from Edward Bauser, Executive Director, Joint Committee on Atomic Energy Committee, who said that Senator Pastore had expressed concern to him about the U. S. agreement with Romania last Thursday having to do with peaceful uses of atomic energy. Bauser recalled Mr. Maury's conversation with George Murphy last week on Romania and he was interested in knowing the status of that situation. I told him this had quieted down somewhat since Mr. Maury's conversation with Murphy. Bauser said he was preparing a letter to State or AEC regarding the Romanian agreement and might be back in touch with us when this letter was in draft form.

25X1 6. [redacted] Talked to James Kendall, Chief Counsel, Senate Preparedness Investigation Subcommittee, and made tentative arrangements for him to visit the Agency for luncheon and briefings next Tuesday.
